Loving, learning about and looking after nature

Scavenger Hunts

Find something in nature that meets the description in each box. You could write down what it is, photograph it, draw it or tick the box.

Additional scavenger hunt challenges

- Set a timer and see how quickly you can finish it.
- Take your time and study each item you find. Write down something interesting about each of them.
- Repeat the same scavenger hunt in different habitats and see if some items are easier or harder to find in different places.
