**2019**

## BUSHWALKING AND ACTIVITIES PROGRAM WINTER 2019

In this Winter 2019 program you will find a great mix of activities to choose from including bushwalks and urban walks, excursions, camps and social nights.

Once you've had a read through the program and have found an activity or activities you're interested in, follow the steps below to make a booking.

## HOW TO JOIN IN THE ACTIVITIES

### BOOKING A WALK OR ACTIVITY

- Contact the activity leader about 2-3 weeks, but not more than one month, before the trip, unless early booking is indicated in the program. Leader phone numbers are generally home numbers and calls should be made in the evening on weeknights before 9:00pm or on weekends. Please remember that all leaders are volunteers.
- When booking, indicate your name, telephone number, personal emergency contact number, and whether you are interested in car sharing. If contacting a leader by email, put the email subject as "BWAG <walk name>"
- If you are unknown to the leader, s/he will discuss with you your fitness, equipment and experience to undertake the activity you have chosen, or they can recommend another activity that is more suited to your ability. Persons under 18 cannot be accepted unless accompanied by an adult.
- Leaders will not accept early bookings – it increases the chances of cancellations and it is unfair to those who follow the guidelines. Leaders will limit numbers on a trip to comply with our Minimal Impact Bushwalking Policy and safety considerations.
- Please read the Activity Descriptions table before booking a trip.
- Non-members are welcome on trips. They must be booked in with the leader and may attend three trips before it is necessary to join the VNPA.
- **Keep updated with activity changes by regularly checking [www.vnpa.org.au/adventures](http://www.vnpa.org.au/adventures) and subscribing to the VNPA monthly email update at [www.vnpa.org.au/sign-up](http://www.vnpa.org.au/sign-up)**

### FEES

The activities leader will collect fees, with the money used to pay for general BWAG expenses. Attendance fees are:

	Adult	Child (U16)	Family
Member (per day)	\$5	\$2	\$10
Visitor (per day)	\$9	\$3	\$20
Annual Pass*	\$50	\$20	\$100

The fee for multi-day activities will not exceed a three day fee.

For Annual Pass info, visit [www.vnpa.org.au/program](http://www.vnpa.org.au/program)

### BOOT WASHING – DIEBACK THREAT

Dieback is caused by *Pytophthora cinnamomi*, a plant disease that lives in the soil. Clean your boots with a 70% methylated spirits/water solution immediately after completing your bushwalking activity.

## VICTORIAN NATIONAL PARKS ASSOCIATION (VNPA)

The Victorian National Parks Association is Victoria's leading nature conservation organisation. It is an independent, non-profit, membership-based group that exists to protect Victoria's unique natural environment and biodiversity through the establishment and effective management of national parks, conservation reserves and other measures.

The Bushwalking and Activities Group (BWAG) is part of the VNPA and its committee of volunteers prepares and coordinates the activities in this program.

NatureWatch is a VNPA community engagement and citizen science program that brings together community groups, scientists and land managers to develop and manage projects that get volunteers out into the field monitoring native plants and animals.

### TRANSPORT

Trips are by private transport unless otherwise stated. Where possible, please try to share transport, as it cuts costs and fuel usage. The leader may arrange car pooling. The objective of our cost-sharing policy is for costs to be shared between all the occupants of the vehicle.

### INSURANCE

VNPA has a package of community organisation insurance policies that covers a range of activities. Check the activities infopak at [www.vnpa.org.au/program](http://www.vnpa.org.au/program)

Every person participating in a VNPA activity does so at his or her own risk in all respects and as such accepts full responsibility for his/her suitability, fitness and preparedness for the activity and for any injury to him/herself. The Association, its office bearers, organisers, leaders and helpers are absolved from any liability in respect of any injury, loss or damage suffered by the participant while engaged in any VNPA activity to the extent permitted by law. While incidents are rare, the great outdoors can throw up challenges. If an incident occurs, you should inform the activity leader and the VNPA office.

The VNPA has determined that overseas trips have significant risks and insurance costs to the VNPA and are outside the scope of the VNPA's geographical focus on Victoria. As such, overseas trips will no longer be offered under the auspice of the VNPA or BWAG and will not be covered by VNPA Insurance.

Participants of overseas trips, especially outdoors, are strongly encouraged to have appropriate personal travel insurance.

The (EC) notation after an activity title indicates that the emergency contact system is to be used. The leader will advise participants of the name and phone number of the selected contact. All participants should leave details of their trip, the expected time of return and the phone number of the contact with a relative or friend. Enquiries about the late return of people are to be directed to the contact. Do not ring the police. The names and phone numbers of emergency contacts are listed for relevant dates in the program.
