## Donate today to give nature a louder voice at this critical time

By supporting the Victorian National Parks Association, you're rescuing our National Parks, reserves and special places. You're saving Victoria's vanishing species, and protecting our waterways, beaches and the marine environment.

With a state election in November, it is critical that we give nature a louder voice.

Please donate today.

With your support, we will be able to commit to strengthening our campaigns for Victoria's National Parks, natural places and wildlife, and hold our government to account at this critical time.
