

SUPERVISOR REGISTRATION FORM

**Great Victorian
FISH COUNT
2020**

The annual Great Victorian Fish Count is facilitated by the Victorian National Parks Association, in partnership with Parks Victoria, Coastcare Victoria, Museums Victoria, the Victorian Government and Redmap.

Organisations managing divers and events are legally responsible for the safety of all individual fish counters whilst engaging in underwater monitoring activities. Participating organisations include, but are not limited to, dive operators and dive clubs, Parks Victoria, University Clubs, Schools and Scout groups.

I,, **ON BEHALF OF:**

(full name) (organisation)

agree to the following terms and conditions for the 2020 Great Victorian Fish Count:

- As a representative, I confirm our organisation has the relevant insurance to cover all Great Victorian Fish Count participants and activities.
- I have the appropriate snorkelling and/or dive qualifications to supervise all Great Victorian Fish Count participants.
- I will ensure all participants have appropriate snorkelling/diving experience and will explain the risks associated with their participation.
- I will ensure all appropriate risk assessments and other safety measures are undertaken/ adhered to for fish count monitoring activities as per Outdoor Victoria's Adventure Activity Standards and/or equivalent organisation protocols.
- I will read out the 'Great Victorian Fish Count Introductory Script for Organising Bodies' provided to me, to all participants before commencing any underwater monitoring activity.
- I will advise all Great Victorian Fish Count participants that they take part at their own risk in all respects. As such Great Victorian Fish Count volunteers accept full responsibility for his/her suitability, fitness and preparedness for the activity and for any injury to him/herself. The VNPA, its office bearers, organisers, leaders and helpers are absolved from any liability in respect of any injury, loss or damage suffered by the participant to the extent permitted by law.
- I/we will follow all required COVID-19 government restrictions that apply to our club/business/community group/organisation to run a face to face activity on the date/s specified
- I will ensure that Great Victorian Fish Count participants are aware of and adhering to current COVID-19 restrictions as they apply to our region. I will ensure that participants maintain appropriate social distancing and hygiene measures during all Fish Count activities.

FISH COUNT TASKS & RESPONSIBILITIES

I will be supervising the following fish count monitoring activities – please list the location/s, and expected date/s, time/s and number of participants below for each activity.

VNPA WILL SUPPLY

- Educational Information on how to participate in the fish count.
- Underwater fish count monitoring slates.
- Instruction manuals and data collections sheets.

VNPA WILL

- Facilitate the overall coordination of the Great Victorian Fish Count.
- Promote the fish count event through various media avenues.
- Collect and analyse the fish count data.
- Circulate a report and final results from the fish count data.

PARTICIPATING ORGANISATIONS WILL

- Provide an appropriately qualified and experienced fish count supervisor to oversee the fish count activity.
- Choose the location, date and time of the fish count event.
- Record individual fish count participants on the form provided.
- Ensure all individual fish count participants are covered by current and appropriate insurance including public liability.
- Return fish count data collected on the day to VNPA, alongside fish count slates.
- Ensure that all participants and their supervisors are adhering to COVID-19 restrictions as they apply to your region (see www.coronavirus.vic.gov.au and www.parks.vic.gov.au/get-into-nature/safety-in-nature/covid-19-update)
