

Join the community leading nature conservation in Victoria

VNPA Members are at the heart of our work protecting special places and habitats for wildlife and people

For over 70 years our Members have been instrumental to the success of the Victorian National Parks Association. Our Members have contributed their passion, time and resources to the incredible gains we've achieved.

But we've still got so much to do. More than ever, we need committed nature-lovers to help bring our ambitious vision to life: a diverse and healthy natural environment protected, respected and enjoyed by all.

Please join or renew as a VNPA Member today.

By putting your values into action, you're strengthening the Victorian National Parks Association's efforts to:

- Increase and defend protected areas like national parks and reserves.
- Stop the destruction of native wildlife and habitats.
- Advocate for stronger nature laws.
- Hold our elected representatives to account.
- Inspire and educate the community about Victoria's special places.

Give nature a future voice

Leaving a gift in your Will to the Victorian National Parks Association ensures you continue to protect Victoria's natural heritage for future generations. Your gift, large or small, will make a significant difference to our work, funding projects and campaigns which may not otherwise be possible. A gift in your Will also ensures the Victorian National Parks Association will continue to be here to stand up for Victoria's national parks, amazing natural places and wildlife.

☐ Please send me information about how I can support the Victorian National Parks Association with a gift in my Will.

☐ I have already left a gift to VNPA in my Will.
